This year, more than 30.000 people from all around the world come together in Barcelona, to exchange knowledge about cannabis and try out new products. Every part of the cannabis industry is represented, and it is a great opportunity to compare all the different products and suppliers. At stand number 40 Dutch Passion displays their latest new cannabis varieties, such as Mokum's Tulip®, Meringe® and HiFi 4G®.

Additionally Dutch Passion announces on *Spannabis* that they are launching their own line of cannabis pre-rolls and flowers on the Canadian market and are introducing their own line of Cannabis Light Flowers with low THC but high CBD values on the Italian market this spring. By doing this, Dutch Passion changes into the first global brand for cannabis flowers.

About Dutch Passion Seed Company

Dutch Passion Seed Company is an independent company with a rich history and more than thirty years' experience in the cannabis industry. The family owned enterprise is a market leader, well-known for the outstanding quality of its products and prize-winning genetic innovations. Cannabis use is becoming increasingly accepted, both recreationally and as a medicine. More European countries, as well as Canada and various states in the US, have legalized the cultivation and sale of cannabis under certain conditions. Dutch Passion is a growing company with 25 fulltime employees in a network of inspired geneticists and experts in marketing, sales, operation and logistics. Dutch Passion has two offices in Amsterdam, one in Maastricht, representatives in various countries and an affiliated company in Barcelona.
